Congratulations

To all members of the Bharat Scouts and Guides Karnataka who has done the services during this second wave of COVID-19 pandemic.

We appreciate all the members to join hands and support the community to fight against Corona Virus.

We thank the Hon'ble Vice President of India and Hon'ble Governor of Karnataka for this appreciation to our members which will give them strength to serve the community more.

Service activities and programs conducted by the Bharat Scouts and Guides, Karnataka during the COVID 2.0 Lockdown period.

Shri P G R Sindhia

State Chief Commissioner

The Bharat Scouts and Guides Karnataka

The Bharat Scouts and Guides, Karnataka since the lock down began on 24th Apr 2021 has responded up to serve the needy people, in the times of lock down. As the case load increased and oxygen became scarce. The Bharath Scouts and Guides, Karnataka pressed it volunteers into action. As we all know that Scouts and Guides MOTTO is "BE PREPARED" and for Rovers and Rangers is "SERVICE" our Young People guided by adult leaders and office bearers started the action of service with full prepration to serve the community along with the other COVID Warriors. Scouting has not only stopped only with service action to community, the state headquarters has engaged the young people virtually by offering training programmes, knowledge to build their skills, Dialogue with various motivators who were attached to Scouting and Guiding in their life.

The Service and Action our Young People did during this COVID-19 Pandemic and How they engaged with various programmes, a glance of it is presented here in short.

Our Rovers, Rangers, Unit Leaders are creating awareness about Mask, Social distancing by making announcements in the markets during the purchase time of 6 – 10 AM in the morning.

8. Scout Oxygen Bank:

When the Oxygen scarcity increased in the city of Bangalore the Bharat Scouts and Guides Karnataka initiated the idea of Scout Oxygen Bank and mobilized Oxygen concentrators through Donors. We helped the needy patients by providing oxygen concentrators which generates oxygen from the air and convert it to medical grade oxygen. A patient in need of a concentrator needs to be on it for 5-7 days.

The image of many patient families crying and crowding outside hospitals desperate to get urgent medical help for their kith and kin is etched in our memories.

Thousands have lost their loved ones to this growing crisis. There is a critical and immediate need for oxygen in hospitals and COVID Care Centres. The Bharat Scouts and Guides, Karnataka in response to this, we are relaunching our health mission to support critical patients by setting up a Helpline to Provide the following free Services.

FAMILY TREE

The Family Tree programme was launched on 18 May 2021 for Scouts and Guides of all age groups, this exercise is to make them to learn about the family tradition, culture and also to know about the generations of their family history.

In this programme all Cubs, Bulbuls, Scouts, Guides, Rovers and Ranger along with the parents enjoyed it as this made them to brain storm, connect with family members and also to know interesting facts of the great grand parents history. More than 25,000 scouts and guides has participated in this programme and this programme is ongoing process. The best family tree will be awarded who reaches the maximum level of generation of family history on both sides of their parents.

Sharing Experience of the Activity

Bulbul

This activity help me to love and understand my family. I love my parents and also grand parents. My grand parents help me to play and they provide me everything which is good for me. My mother helps me to study. My father joins me in all my activities. He teaches me not only my lessons but also he teaches me music and songs. During week end I visit my mother's parents house. There I enjoy playing in the coconut farm. There are various plants and flowers. My grand mother picks some flowers and she gives me to play. There I can find row mangoes and various kinds of fruits and also few vegetables.

SCOUT

I am punit govindappa hallali. Now I AM studying in the 10th class .kps kadakol high school. When I join in the scout I felt so happy and excited . I get lot of experience in the scout activity. Scout is the main base ment for sports man's and who will want you join police or army. so many teachers are do the lot of effort in this activity. As a result we are also doing good and do something for my school , parents and teachers. I learn some things such as discipline and responsibility so we are all thankful for all

GUIDE

I felt very happy and the surprise that my family tree so big and my great grandfather's names are so long I felt really happy doing this and speaking with my family and my relatives me feel so happy that I became so much more connected to them and speaking about their time in their generations made me like a very surprised that they were so young and there was so strong in in their times I am so much happy knowing about my family e and this scout skill made and give me much more time to mingle and talk to my parents about those Times I thank my teachers for supporting me doing this

As Scouts and Guides this is regular activity to **Do a Good Turn Daily**

This Do a Good Turn Daily activity has been launched on 18 May 2021 and started from 18 May 2021 for 30 Days to do 30 good turn, this activity is part of scouting and guiding when any boy or girl joins scouting to do, so that they get the habit of helping others in ways in their life, as we are in the COVID pandemic 2nd Wave and in this lockdown people we not able to move out and so all the 30 Good turn activities are planned and given as per the COVID protocols and also ensuring that this contributes to the Sustainable Development Goals so that they not only do a good turn in turn they also learn SDG's and follow it to create a sustainable future.
